Cordless Drywall Screwdriver

Spit

60 minutes for a full charge

Reverse switch

Depth gauge

Ideal solution for wall and ceiling applications

Innovation

The NEW cordless 216 HDI drywall screwdriver has been designed to provide the best performance in the market place for fixing plasterboard to metal track.

Electronic switch

Perfectly balanced for comfort in use

- **Lightweight, balanced and easy to use:**
At 1.8 kg the Spit 216 HDI is a remarkably flexible tool for use in the most demanding environments. The tool is perfectly balanced for partition and ceiling applications.
- **Continuity of work is assured:**
The batteries require only 60 minutes for a full charge.
- **An exceptional speed / torque ratio:**
Fix more than 100m² of plasterboard with one battery charge.
- **SPIT LOCK® belt adaptor:**
An original, easy to use lightweight system to hang the tool from your belt.
